

PUBLIC NOTICE

The Ministry of Labour and Home Affairs has received information that there are people who pretend to be immigration officials and call some people telling them that there is a scramble for permits at Immigration and they should pay them P2000, 00 and they will get the permits.

The Public is informed that this not true. The procedure for applying for permits still stands and the requirements are stipulated in the Immigration Act. There is no any other authority apart from the Ministry that issues permits. This notice appeals to members of the public to report such people to the nearest immigration office or the police.
